

PUPILS ENJOY WEEK DEDICATED TO SCIENCE

This week has seen pupils across the school become scientists conducting various experiments and investigations relating to the theme, 'Growth'. From planting saplings and growing 'grass heads' to investigating recipes to makes the stretchiest slime and 'growing' the longest stalagmites and stalactites! We even had some special visitors to talk about how DNA dictates growth in living things and learning about growth in different animal species.

It has been great to see all of the pupils so enthused about Science and working together to investigate important scientific themes within our curriculum.

A huge thanks to all of the staff for making this Years Science Week such a success. A special mention must go to our Science Lead, Mrs Woodruffe, who has coordinated this fantastic event!

GROWTH

YEAR 5 PUPILS MAKE GREAT PROGRESS IN THEIR SWIMMING LESSONS

Congratulations to all of our Year 5 pupils who have completed their swimming lessons this term. Not only did they show great determination they also made excellent progress, with many becoming good proficient swimmers. Accompanying staff were hugely impressed by the children's attitude, especially for those who were not confident in the water at first. Well done Year 5!

KEY DIARY DATES

- 28th March** Easter Service @ St. Andrew's Church
- 29th March** Easter Concert @ St. Andrew's Church
- 1st April** Last day of Spring Term
- 19th April** Summer Term Starts - Children return to school
- 6th June** Platinum Jubilee Holiday (school closed)
- 8th June** Targeted 'Catch-Up' swimming—Year 6 Pupils
- 17th June** Class Photos

March 10th 2022

Dear all at Sutton Primary School,

I am writing to confirm receipt of donations totalling £650 that arrived in the form of a cheque this week.

We are very grateful that the children have chosen to raise money for the animals, it's a very kind and thoughtful thing to do.

It costs a lot of money to look after the animals who are staying with us, they often need veterinary care and medication or special diets to make them well so that we can find them new homes. Your donation will make a huge difference to the cats, dogs, rabbits, guinea pigs, rats, mice, hamsters, chickens, duck, pigs and goat that we have staying with us at the moment.

We really do appreciate your ongoing support, Thank you again.

Yours sincerely

Sally Jones

Patron HM The Queen

We received this lovely letter from the RSPCA Charity this week! Last Summer, FOSS arranged a sponsored skip with half of the money raised going to a charity of the children's choice. The RSPCA is a charity close to everyone's heart and its great to know the money we have raised will help improve the quality of life for a wide variety of different animals.

NETBALL TEAM IMPROVE WITH EACH MATCH PLAYED

A huge well done to our Key Stage 2 Netball Team who gave a great account of themselves at the Witchford Sports Partnership Tournament in Soham. Losing only two of their six games, it is really pleasing to see how quickly the team are improving their skills and competing as a team. As always the children were exemplary in their behaviour.

Netball recount

On Wednesday 16th March 2022 the Sutton netball squad set off for a netball tournament at Soham village college. Although It was raining extremely heavily, the netballers carried on playing like stars. The other team was very good. We have to say we did not score a goal but we shot quite a lot. We gave it everything we had. The other team scored one point they would have got more but we got the ball off them before they could score again. Although we didn't score it was still a blast. From what we gathered Mr Baxter was very impressed with us.

By Jean Gashin and Reed Fuller.

MESSAGE FROM THE CO-CHAIRS OF THE SCHOOL GOVERNING BODY

Hello all!

We would like to take this opportunity to introduce ourselves as the new Co-chairs of the governing body at Sutton C.E. (VC) Primary School. Both of us have a background in education; both of us have been working with the staff at Sutton for a while now; both of us care deeply about helping the school continue to STRIVE for success.

Our role is to support Mr Harrison and his team to implement the vision for the school and its students that we all share. Our role is to ask questions, challenge and nudge - and we will make sure that this continues to help Sutton in its continued drive to embed that safe and nurturing culture of respect and excellence.

The Governing Body is made up of representatives from our parents, staff and local area. We are volunteers that give our time and skills freely to make sure that Sutton children receive the best education- and we would love it if you would join us! We are looking for volunteers with a range of backgrounds and skills to join us. Please see Pupil Asset for the recently distributed nomination form.

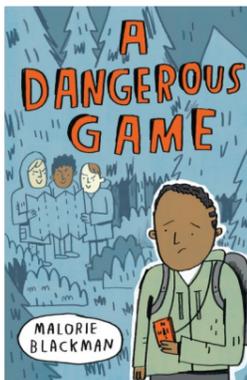

As parents and carers, you are the first educators for your children. We build on this so that our learners develop the skills they need to succeed in our rapidly changing world.

We value your support and look forward to working with you while your child is at Sutton. Please use this website to find out all about our school, and remember that your child's class teachers and the leadership team will always be your first port of call and are happy to address any queries and concerns, should you have any. However, if there is anything else you need to know, don't hesitate to contact us at: Chair@sutton.cambs.sch.uk

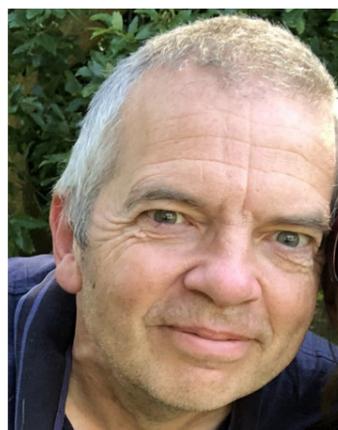

Jessica Webb & Chris Shea

Co-Chairs of the Governing Body at Sutton C.E. (VC) Primary School

Thank you for your donations on World Book Day last week, we have so far managed to order a great selection of books for the library! It's not too late to donate, or even donate again! Every pound helps make our library a more exciting place to be!
