

SUTTON CE (VC) PRIMARY
SCHOOL

NEWSLETTER 3

Parentmail

We understand that some people are having problems receiving our electronic newsletters at the moment via parentmail. Please do bear with us; we have contacted the company and have asked them to notify us when the problem is fixed.

School Fete

Thank you to everyone who supported the FOSS Fete last Saturday. It was lovely to see so many pupils and their parents plus members of the wider school community.

The FOSS Committee worked extremely hard in the run up to the event and I'd like to thank them for their tremendous effort.

There are still a few outstanding bills to be paid but the estimated total is approximately £2500.

As a school we will be renewing our Interactive Whiteboards and projectors this academic year and we have asked FOSS to help support this initiative.

Jeans for Genes Day

Thank you to everyone who supported our Jeans for Genes Day on Friday 19 September 2014.

We raised a magnificent £316.51.

Ofsted Report

We were able to release our most recent Ofsted Report on Tuesday 9 September 2014. This followed our school inspection at the end of term.

An electronic copy is now available on our school website:

www.sutton.cambs.sch.uk

If you did not receive a paper copy and would like one please do contact the school office and we will arrange for a copy to be sent home.

Smile!

This week all Reception and Key Stage 1 children will bring home a Colgate 'Bright smiles, Bright futures' pack. Included in the pack is a toothbrush and a tube of toothpaste. There is also a chart to encourage the children to brush their teeth twice a day.

For more information about dental health and some fun online games with the Tooth Defenders search 'Colgate bright smiles bright futures'.

Absence from School

If your child is unwell and unable to attend school we ask that parents notify the school. This can be done by leaving a message on our automated phone system; the school number is 01353 778351.

Our school policy, in conjunction with health advice, is that a child suffering from sickness or diarrhoea should remain away from school for a full 48hrs **after** all the symptoms have stopped.

We do follow up any absence that we have not been told about but our efforts often end in failure due to parents not keeping their contact details current and up to date.

Please tell us if you change your details.

Violin Lessons

I am delighted to welcome Mrs Fiona Dagg to our school. Mrs Dagg is a

music teacher who will be offering to teach the violin to pupils who would like to learn.

If you would like your child to learn to play this instrument please leave your contact details with the staff in the school office and Mrs Dagg will get in touch to provide further details.

Music Exam Success

At the end of the Summer Term 9 pupils heard that they had passed their recent music exams.
Congratulations to all the pupils!

Harvest Festival

We will be holding our annual Harvest Festival on Tuesday 7 October at St Andrew's Church. Pupils will be asked to come to school in the usual way and will be registered in their classes before lining up to walk to St Andrew's Church en masse.

When we walk to the church we use a 'family grouping' system whereby our older pupils walk with our younger pupils. However we do require a lot of adult/parent helpers to help supervise the pupils as we walk to the church. If you can help on the morning of Tuesday 6 October please contact your child's class teacher.

This year we would like the children to bring harvest gifts of non-perishable food – tins, bags of dried goods etc.
Please do not send your child to school with fresh food.

Holidays during Term Time

Our school Attendance Policy clearly states that we aim to minimise the amount of time lost to term time holidays through a policy which actively discourages parents from arranging family holidays during this time. Parents should not expect leave of absence to be granted automatically as leave for the purpose of a family holiday will only be granted in

exceptional circumstances and not for multiple requests during a school year. If leave of absence is taken without authorisation, it will be recorded in the schools attendance register as an unauthorised absence and may be referred to the school's Education Welfare Officer.

Absence during term time interrupts the continuity of teaching and learning and disrupts the educational progress of individual children. In a week lots of things can happen within the life of a school; children can miss whole areas of a topic being taught in maths or English. In addition the social aspects of a child's development including their friendships can move on making it difficult for the returning child to fit back in with their peer groups.

Parent Consultations

Each term there is the opportunity for parents to meet with their child's class teacher to discuss their progress. This term our Parent Consultations are on:

Thursday 9 October 3.30 – 5.30 pm
Thursday 20 November 5.30 – 7.30 pm

All appointments are 10 minutes in length. Appointments can be made by contacting the school office. Please note appointments cannot be made on the day of the consultation; this allows staff time to prepare for this event. It is not necessary for parents to attend every consultation held during the year.

School Diary

Copies of our School Diary were sent out to parents on Thursday 18 September 2014. If you did not receive a copy of this document that is printed onto orange card please contact the school office. We deliberately print this document onto brightly coloured card so that it can be easily seen when pinned on a notice

board or stuck to the fridge door at home.

Please do keep your copy safe.

Family Assemblies

We are still working on a format for our Family Assemblies this term. Our increasing school roll means that we are reviewing our current format.

Details will be sent out to parents as soon as they have been finalised.

Better Reading Partners

We are currently recruiting parents/grandparents who would like to work with some of our children supporting their reading. Volunteers will need to be able to give at least 20 mins of their time a week on a regular basis and, in addition to this, be able to do a little bit of preparation at home before the reading sessions.

If you are interested in helping in this way please let our school office staff know. There are two training sessions on Friday 26 September and Monday 6 October both of which will run between 9:30am and 3:00pm at the latest.

Please leave your name at the office if you are interested. Thank you

Leaflets

During the course of the year the school is often asked to distribute leaflets to parents which promote different activities for children taking place in and around the Sutton area.

Parents need to be aware that when engaging with these companies they should always check that the leaders are DBS (Disclosure and Barring Service) enhanced checked and cleared. The school does not undertake these checks unless the organisation is working as part of the school or WASP provision.

Money for School

Please can parents place all money that is for any of our school activities, including school dinners, in a sealed envelope with your child's name and class on the front.

All monies can be taken to your child's class teacher.

There is also a black metal post box in the corridor outside our main office where parents can deposit payments. Please remember payments for school meals can be made online using the Agora Payment System. This is a safer way to make payments. Details about this site will be sent to our new parents shortly.

Creating a new cycleway from Witcham to Wentworth

Work starts this week (week commencing 22 September) on the construction of a new 1.5km foot and cycleway which will complete the cycle path link between Sutton and Ely.

Cambridgeshire County Council plans to build the new route between Sutton and Wentworth alongside the A142. The new path will provide a segregated or low traffic route from the village of Sutton-in-the-Isle all the way to Ely.

A 2m wide dual use foot and cycle path will be constructed between Sutton and Witcham Toll and a path between 1 and 1.5m will link Witcham Toll to Witchford. The paths will provide a separate and largely segregated route for pedestrians and cyclists alongside a busy A-road where no current path exists.

Works are expected to take around 2 months to complete. The new cycleway is anticipated to cost £350,000 and will be funded from the DfT's Local Sustainable Transport Fund, which aims to improve links

between employment sites and residential areas.

More information including engineering drawings of the route is available on the County Council's website at www.cambridgeshire.gov.uk/cycling.

If you have any questions about the scheme please contact Transport Delivery on transport.delivery@cambridgeshire.gov.uk or call 01223 699906.

Recruiting on-call firefighters at Sutton Fire Station

Recruitment Evening Monday 29 September 6:00-8:30pm

I have been asked to inform parents of the above meeting by the fire brigade.

Do you live or work within 5 minutes of your local fire station?

Do you want the opportunity to work as a team protecting your local community?

Do you have a good level of fitness?

On-call Firefighters are a vital part of today's Fire and Rescue Service. They provide an efficient and effective service that gives emergency cover to local communities. As an On-call Firefighter you would carry a pager. When you are on-call you remain within 5 minutes of the station and respond to emergency incidents as and when they happen. We ask for a commitment of at least 49 hours per week (on average), this could be during the night, at weekends, during the day or a combination of all.

You would receive an annual wage to reflect the time you commit plus additional payments for attending drill nights and incidents.

We also offer:

- Employee Assistance Programme

- Pension
- Ongoing training with the chance of promotion
- Paid holiday

For an application pack and further information contact Recruitment on 01480 444500 or recruitment@cambsfire.gov.uk

You can also visit our website www.cambsfire.gov.uk/Recruitment

Baby News!

Congratulations to Mrs Park and her husband Dan on the birth of their daughter, Ellie Grace, who was born on 27 July 2014 weighing 7lb 15oz.

I understand that older brother Finley is very proud of his younger sister!!

More Baby News...

Congratulations to Mr Smith and his wife Sam who have announced that they are expecting their second child in the Spring.

Lucas is looking forward to the prospect of being the best big brother he can...

School Newsletters

We send out a School Newsletter on a Weekly basis. These are all numbered and dated to help parents keep up to date with what is happening at school.

An electronic copy is placed on our school website, www.sutton.cambs.sch.uk if you mislay your copy.
