Dear Parents and Carers,

Cambridgeshire Music is delighted to introduce Just Sing – a free project based on an original song of the same name. We are excited to be running this project over the summer in partnership with Norfolk Music Hub. The song itself is a fun and upbeat number all about the joy of singing and it is suitable for children of all ages to get involved with at home, including children with special educational needs.

Throughout the summer we will be releasing weekly resources and activities all linked to the project. These will all be playful, interactive activities that will be perfect to entertain all the family over the summer holidays and will include everything from kitchen percussion tutorials to videos to support singing and instrumental work.

To join the project, you will need to register via the Account tab of Cambridgeshire Music's website [here](#). Details of how to sign up for the project and to set up an account can be found on page two of this letter. If you need any help setting up your account, please contact our business team on 01480 373500 or via email cm@cambridgeshire.gov.uk. Once you have signed up for the project the resources will be emailed to you every week until the end of August to help you and your whole family have fun making music and getting creative over the summer!

We would love it if you let us know how you brought the song to life so we can inspire others to get involved too! We will be creating a virtual gallery on our social media platforms to celebrate your contributions. Whether it's a recording of a performance or a piece of artwork that was created in response to it, please do keep in touch with us at cm@cambridgeshire.gov.uk. If you post your performances of the song or creations on social media, please use the hashtag #JustSing2020 and tag us in @CambridgeshireMusic.

Warm wishes,

Alex Bowen

Head of Curriculum and Singing

How to create a Cambridgeshire Music account: Instructions for parents

- Go to our website: www.cambridgeshiremusic.org.uk
- Go to top right corner and click on 'My Account'.
- Click on the green button that says 'New user account registration'
- Complete the registration form. Don't forget to give us permission to contact you, so that we can keep you updated with exciting projects like Just Sing. See below: **How to register for 'Just Sing'**

How to register for 'Just Sing'

- Go to your Cambridgeshire Music account
- Go to Service Bookings
- Scroll down and click on 'Place a Booking'
- Select 'Just Sing' from the dropdown menu options
- Please enter 12 sessions – this will ensure that your booking carries on throughout the summer
- Enter the start date with the date you are signing up
- This is a FREE project, so there is no need to enter a price
- Press 'Submit Request'

Once you have gone through this process, Cambridgeshire Music will send you an email with all the resources you need to join in with our amazing Just Sing experience.
