

Week Beg 06-07-2020 Year 6 - Changes and Transition

Last week the children in YR- 5 found out what class they are going to be in next year and this week they will be doing some work that they would have normally done on their Move Up day. As Y6 you have already done lots of the transition work from your secondary school so this week we will be asking you to do different work to the children in Year 5.

With the Maths we are also going back to Week 10 (29-06) so that we don't miss out on any of the learning. I will also put onto Dojo 40 ways to help you learn spellings in case you need some inspiration and want to do some extra work.
