ACCEPTABLE USE POLICY
SUTTON CE (VC) PRIMARY SCHOOL

Approved by Governors   □   December 2022

School Aims and Values

This Acceptable Use Policy is set within the wider context of the school's Online Safety Policy and the school's vision. Our vision as a Church of England school places Christian values at the heart of everything we do. The values are encapsulated in the acronym STRIVE - 'Safety, Togetherness, Respect, Integrity, Valued and Excellence'. As a school community, we aim to serve one another and work together for the common good, so that everyone can experience life in all its fullness. (John 10:10).

The parable of the mustard seed (Mark 4:30-32) can represent our children, who are nurtured here, and enabled to live life in its fullness through our teaching and care. It can also represent our school flourishing within our community and the community connecting to our diverse world.

WHAT IS AN AUP?

We ask all children and adults to sign an Acceptable Use* Policy (AUP), which outlines how we expect them to behave when they are online, and/or using school networks, connections, internet connectivity and devices, cloud platforms and social media (both when on school site and outside of school).

This AUP is reviewed annually, and stakeholders will be asked to sign it upon entry to the school and every time changes are made.

WHY DO WE NEED AN AUP?

All staff (including support staff), governors and volunteers have legal / professional obligations and it is imperative that all parties understand that online safety is part of safeguarding as well as part of the curriculum, and it is everybody's responsibility to uphold the school's approaches, strategy and policy as detailed in the full Online Safety Policy which is available via this link.

WHERE CAN I FIND OUT MORE?

All staff, governors and volunteers should read the school's full Online Safety Policy for more detail on our approach to online safety and links to other relevant policies e.g Safeguarding and Child Protection; Behaviour and Antibullying Policy.

If you have any questions about this AUP or our approach to online safety, please speak to the Head Teacher or Deputy Head Teacher.

Acceptable Use Agreement KS2

Following these statements will help to keep myself and others safe online whilst at school and at home

- *I ask permission* – At home or school, I only use the devices, apps, sites and games I am allowed to and when I am allowed to. Parents might not know the app, site or game, but they can still help me when things go wrong, and they want to know what I'm doing.

- *I am a friend online* – I won't share or say anything that I know would upset another person or they wouldn't want shared. I am not a bully. I do not post, make or share unkind, hurtful or rude messages/comments and if I see it happening, I will tell my trusted adults.

- *I am a secure online learner* – I keep my passwords to myself and reset them if anyone finds them out. Friends don't share passwords!

- *I am careful what I click on* – I don't click on unexpected links or popups, and only download or install things when I know it is safe or has been agreed by trusted adults. Sometimes app add-ons can cost money, so it is important I always check.

- *I ask for help if I am scared or worried* – I will talk to a trusted adult if anything upsets me or worries me on an app, site or game – it often helps. If I get a funny feeling, I talk about it.

- *I know it's not my fault if I see or someone sends me something bad* – I won't get in trouble, but I mustn't share it. Instead, I will tell a trusted adult. If I make a mistake, I don't try to hide it but ask for help.

- *I know new online friends might not be who they say they are* – I am careful when someone wants to be my friend. Unless I have met them face to face, I can't be sure who they are.

- *I don't do live videos (livestreams) on my own* – and always check if it is allowed. I check with a trusted adult before I video chat with anybody for the first time.

- *I keep my body to myself online* – I never get changed or show what's under my clothes when using a device with a camera. I remember my body is mine and no-one should tell me what to do with it; I don't send any photos or videos without checking with a trusted adult.

- *I say no online if I need to* – I don't have to do something just because someone dares or challenges me to do it, or to keep a secret. If I get asked anything that makes me worried, upset or just confused, I should say no, stop chatting and tell a trusted adult immediately.

- *I follow age rules* – 12+ games and apps aren't good for me so I inform an adult if I am using them– they may be scary, violent or unsuitable. 18+ games are not more difficult but very unsuitable.

- *I am careful what I share and protect my online reputation* – I know anything I do can be shared and might stay online forever (even on Snapchat or if I delete it).

I have read and understood this agreement.

If I have any questions, I will speak to a trusted adult: at school that could be:

Acceptable Use Agreement for All Adults in School

Following these statements will help to keep myself and others safe online whilst at school and at home

1. I have read and understood Sutton C of EVC full Online Safety policy using <mark>this link</mark>. I agree to uphold the spirit and letter of the approaches outlined there, both for my behaviour as an adult and enforcing the rules for pupils. I will report any breaches or suspicions (by adults or children) in line with the policy without delay.

2. I understand it is my duty to support a whole-school safeguarding approach and will report any behaviour which I believe may be inappropriate or concerning in any way to the Designated Safeguarding Lead (if by a child) or Head Teacher (if by an adult).

3. **During remote learning:**
   o **I will not behave any differently** towards pupils compared to when I am in school. I will never attempt to arrange any meeting, including tutoring session, without the full prior knowledge and approval of the school, and will never do so directly with a pupil. The same applies to any private/direct communication with a pupil.
   o **I will not attempt to use a personal system or personal login for remote teaching** or set up any system on behalf of the school without SLT approval.
   o **I will conduct any video lessons in a professional environment** as if I am in school. This means I will be correctly dressed and not in a bedroom. The camera view will not include any personal information or inappropriate objects and where possible to blur or change the background, I will do so.

4. I understand that in past and potential future remote learning and lockdowns, there is a greater risk for grooming and exploitation as children spend more time at home and on devices; I must play a role in supporting educational and safeguarding messages to help with this.

5. I understand the responsibilities listed for my role in the school's Online Safety policy. This includes promoting online safety as part of a whole school approach in line with the **PSHE (Personal social health education) curriculum,** as well as safeguarding considerations when supporting pupils remotely.

6. I understand that school systems and users are protected by security, monitoring and filtering services, and that my use of school devices, systems and logins on my own devices and at home (regardless of time, location or connection), including encrypted content, can be monitored/captured/viewed by the relevant authorised staff members.

7. I understand that I am a role model and will promote positive online safety and model safe, responsible and positive behaviours in my own use of technology, including social media, e.g. by:
   ● not sharing other's images or details without permission
   ● refraining from posting negative, threatening or violent comments about others, regardless of whether they are members of the school community or not.
   ● I understand what I post online is there for ever and I will respond professionally to comments on line where appropriate and maintain the professional boundaries

8. I will not contact or attempt to contact any pupil or to access their contact details (including their usernames/handles on different platforms) in any way other than school-approved and school-

monitored ways, which are detailed in the school's Online Safety Policy. I will report any breach of this by others or attempts by pupils to do the same to the designated safeguarding leads (Mr Harrison, Mrs Garbutt and Mrs Wallace)

9. Details on social media behaviour, the general capture of digital images/video and on my use of personal devices is stated in the full Online Safety policy. If I am not sure if I am allowed to do something in or related to school, I will not do it and seek guidance from the DSL.

10. I understand the importance of upholding my online reputation, my professional reputation and that of the school, and I will do nothing to impair either.

11. I agree to adhere to all provisions of the school Data Protection Policy at all times, whether or not I am on site or using a school device, platform or network, and will ensure I do not access, attempt to access, store or share any data which I do not have express permission for. I will protect my passwords/logins and other access, never share credentials and immediately change passwords and notify the Head Teacher if I suspect a breach. I will only use complex passwords and not use the same password as for other systems.

12. I will not store school-related data on personal devices, storage or cloud platforms. USB keys, will be encrypted, and I will only use safe and appropriately licensed software, respecting licensing, intellectual property and copyright rules at all times

13. I will never use school devices and networks/internet/platforms/other technologies to access material that is illegal or in any way inappropriate for an education setting. I will not attempt to bypass security or monitoring and will look after devices loaned to me.

14. I will not support or promote extremist organisations, messages or individuals, nor give them a voice or opportunity to visit the school. I will not browse, download or send material that is considered offensive or of an extremist nature.

15. I understand and support the commitments made by pupils, parents and fellow staff, governors and volunteers in their Acceptable Use Policies and will report any infringements in line with school procedures.

16. I will follow the guidance in the safeguarding and online-safety policies for reporting incidents: I understand the principle of 'safeguarding as a jigsaw' where my concern might complete the picture. I will report and address any concerns regarding online safety, including age inappropriate merchandise.

17. I understand that breach of this AUP and/or of the school's full Online Safety Policy here may lead to appropriate staff disciplinary action or termination of my relationship with the school and where appropriate, referral to the relevant authorities.

To be completed by the user

I have read, understood and agreed to this policy. I understand that it is my responsibility to ensure I remain up to date and read and understand the school's most recent online safety / safeguarding policies. I understand that failure to comply with this agreement could lead to disciplinary action.

PARENTS ONLINE USE EXPECTATIONS

BACKGROUND

We ask all children and adults involved in the life of Sutton C of VC Primary School to sign an Acceptable Use* Policy (AUP) to outline how we expect them to behave when they are online, and/or using school networks, connections, internet connectivity and devices, cloud platforms and social media (both when on school site and outside of school).

Your child has also signed an AUP which is available in the Acceptable Use Policy which can be found on the school website here.

We tell your children that **they should not behave any differently when they are out of school or using their own device or home network.** What we tell pupils about behaviour and respect applies to all members of the school community, whether they are at home or school:

"Treat yourself and others with respect at all times; treat people in the same way when you are online or on a device as you would face to face."

WHERE CAN I FIND OUT MORE?

You can read our full Online Safety Policy using the above link and it should be read in conjunction with our Safeguarding and Behaviour Policies. If you have any questions about this AUP or our approach to online safety, please speak to our Senior Management team and designated safeguarding leads (Mr Harrison, Mrs Garbutt and Mrs Wallace).

WHAT AM I AGREEING TO?

1. I understand that our school uses technology as part of the daily life of the school when it is appropriate to support teaching & learning and the smooth running of the school, and to help prepare the children and young people in our care for their future lives.
2. I understand that the school takes every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials, including behaviour policies and agreements, physical and technical monitoring, education and support and web filtering. However, the school cannot be held responsible for the nature and content of materials accessed through the internet and mobile technologies, which can sometimes be upsetting.
3. I understand that internet and device use in school, and use of school-owned devices, networks and cloud platforms out of school may be subject to filtering and monitoring. These should be used in the same manner as when in school, **including during any remote learning periods.**
4. I will promote positive online safety and model safe, responsible and positive behaviours in my own use of technology, including on social media: not sharing other's images or details without permission and refraining from posting negative, threatening or violent comments about others, including the school staff, volunteers, governors, contractors, pupils or other parents/carers.

5. I will promote age appropriate games and apps and not send my child in to school with merchandise that is age inappropriate.
6. I will not share images of other people's children on social media and understand that there may be cultural or legal reasons why this would be inappropriate or even dangerous. The school sometimes uses images/video of my child for internal purposes such as recording attainment, but it will only do so publicly if I have given my consent on the relevant form.
7. I understand that for my child to grow up safe online, they will need positive input from school and home, so I will talk to my child about online safety and support safe settings, parental controls, apps and games, talking to them about life online, screentime and relevant topics from bullying to accessing pornography, extremism and gangs, sharing inappropriate content etc...
8. I understand that my child needs a safe and appropriate place to do remote learning if school or are closed (similar to regular online homework). When on any video calls with school, it would be better not to be in a bedroom but where this is unavoidable, my child will be fully dressed and not in bed, and the camera angle will point away from beds/bedding/personal information etc. Where it is possible to blur or change the background, I will help my child to do so.
9. I understand that whilst home networks are much less secure than school ones, I can apply child safety settings to my home internet. Internet Matters provides guides to help parents do this easily for all the main internet service providers in the UK. There are also child-safe search engines e.g. swiggle.org.uk and YouTube Kids is an alternative to YouTube with age appropriate content.
10. I understand that it can be hard to stop using technology sometimes, and I will talk about this to my children.
11. I will promote the use of age appropriate games and find information out when needed from reliable sources such as
12. I understand and support the commitments made by my child in the Acceptable Use Policy (AUP) which they have signed, and I understand that they will be subject to sanctions if they do not follow these rules.
13. I can find out more about online safety at Sutton C of VC Primary school by reading the full Online Safety Policy and can talk to my child's teacher or the Deputy Head teacher or Head Teacher if I have any concerns about my child/ren's use of technology, or about that of others in the community, or if I have questions about online safety or technology use in school.
