

Getting ready to step into Year One!

This week we are going to be preparing to step into Year One. We would like you to complete the transition booklet which can be downloaded from the school website or Class Dojo. Please post your completed booklet in the school letterbox by no later than 13th July, so that your new Teacher can have a look through and answer any questions that you have.

In readiness for your return, we would also like you to produce a piece of work to be displayed in your new classroom in September! This should be a self- portrait accompanied by a piece of writing telling your new Teacher a little bit about yourself.

Please also send in a photograph to go alongside your portrait. Please ensure that this is posted in the school letterbox by 13th July or emailed to LPitt@sutton.cambs.sch.uk

In addition to the above, please continue to read with someone at home every day and don't forget to join in with phonics, reading and story time on DOJO with Mrs Pitt and Mrs Booth.
