

SCHOOL ATTENDS EASTER SERVICE AT ST. ANDREW'S

On Monday 28th March staff and pupils across the school attended our Easter Service at St. Andrew's Church. This is the first time we have brought all of the children together and gone to the church since the beginning of the pandemic.

Led by Rev. Alan, the children listened to the Easter Story shared by Year 6 pupils whilst also performing a range of hymns. The children were impeccably behaved walking to and from the church and we were enormously proud of their exemplary conduct during the service.

A huge thank you must go to Rev. Alan for agreeing to lead our service and to Mrs Bradley who has worked tirelessly in preparing the children and coordinating the service.

KEY DIARY DATES

- 19th April** Summer Term Starts - Children return to school
- 6th June** Platinum Jubilee Holiday (school closed)
- 8th June** Targeted 'Catch-Up' swimming— Year 6 Pupils
- 17th June** Class Photos
- 20th June** Sport4School—Athlete Visit

Congratulations to our newest 'batch' of qualified Emergency First Aiders. The school is working towards ensuring ALL staff are trained. Nearly all of our staff are either Paediatric or Emergency First Aid trained now.

PUPILS EXPLORE CULTURE & DIVERSITY IN CAMBRIDGE

Pupils from Pangolin and Lemur class visited Cambridge on Tuesday 29th March to see first hand the diversity of cultures within our British society. Pupils visited the beautiful new Mosque, explored the shops and landmarks of Mill Road and visited the Fitzwilliam Museum. The trip proved to be a great experience!

KS1 PUPILS RECREATE THEIR OWN 'GREAT FIRE OF LONDON'!

On Wednesday 30th March, pupils from Gorilla and Iguana classes recreated their own Great Fire of London on our school field! Having made their own 17th Century houses using cardboard boxes, not that dissimilar to the condensed wooden structures that made up the City of London at the time, the children watched just how quickly the fire spread from one building to the others like a chain reaction.

Fire breaks and pits were used to limit the spread of the fire just like the techniques used on 1666.

Many thanks to Mr Bate and the KS1 Team for bringing such an exciting piece of history to life. The children loved the experience, especially creating a chain to pass buckets of water to extinguish the flames!

Easter Egg Hunt

You may have heard the excited screams on Thursday 31st March! Dolphins and Elephants classes followed a series of clues which eventually led to Forest School, where they found some early treats left by the Easter Bunny!

SUTTON BIDS FOND FAREWELL TO MRS LENNON

The end of the Spring Term and sadly, Mrs Lennon's last day with us at Sutton Primary School. Having joined the school in September 2020, Mrs Lennon has contributed a great deal to the school in a relatively short space of time.

As I am sure the pupil's in classes will testify, Mrs Lennon has proven to be an asset to the school in this time and, on behalf of the Sutton Community, we thank her for all of her hard work.

Mrs Lennon will be moving to another school in Cambridgeshire to assume a wider school leadership position.

Good luck Mrs Lennon!

YEAR 6 PUPILS CREATE OWN DRINKS USING RATIOS

Year 6 investigated ratio by mixing orange juice and lemonade to different ratios. We then created our own Juice Bar drinks by mixing juices, cordials, lemonade and water in different ratios. A huge thank you to those of you who brought drinks in.

SUTTON'S 5★ CATERING TEAM!

Your Food Hygiene Rating

Confidence in management/ control procedures	0
Compliance with food hygiene and safety procedures	0
Compliance with structural requirements	0
Food hygiene rating	5

Criteria	Score						
How hygienically the food is handled	0	5	10	15	20	25	
Condition of structure	0	5	10	15	20	25	
How you manage and document food safety	0	5	10	20	30		
Total score	0	→					80
Level of compliance	High	→					Low

Congratulations to our catering team who have just been awarded a perfect score in their recent Food Hygiene Inspection.

Although this comes as no surprise, it is testament to Monika and her team's exceptionally high standards that this grading has been awarded.

Do make sure you look out for the new Summer Term menu published on the school website and ClassDojo.

Do contact the office you if require any further information about school catering at Sutton.

MONTHLY MUST READS

#MonthlyMustReads

In order to promote high quality books, we are going to share the monthly recommended reads from 'The Reader Teacher' website.

This site not only picks the best new releases, it also has hundreds of book reviews and recommendations which can be filtered by age, interests, topics etc.

On top of this, you can quickly click on links which will take you to Amazon, where the books are often cheaper!

You can find the link by clicking on the image below:

It has become clear that the persistent parking on the road leading to the Brooklands Centre at the beginning and end of the school day presents a risk to our pupils and other pedestrians. Please refrain from parking here.

We have been granted permission to use the Brooklands carpark during these times so, in the interests of our pupils safety, please use the off road parking provision at all times. Many thanks in advance.

ETHELDREDA PROJECT

All the children in year 3 and 4 took part in a project about Saint Etheldreda by Ely Cathedral. We learnt how she was a Saxon Princess, she wanted to be a nun but was not allowed to. Eventually she wanted to build her own monastery. But, hers would be for men and women, a place where they could spend their lives devoted to God. So, she set about building the very first religious community on the Isle of Ely.

Unfortunately, she died from a tumour. When her body was dug up to be moved to the new tomb everyone was amazed! Her body was perfect, the tumour was gone, and she smelled of roses. This is a sign that someone is a saint and from that day on Etheldreda has been known as St Etheldreda.

The culmination of the project was for the children to create a piece of artwork. The children all worked together to design and create the final collage inspired by Henri Matisse. These have been entered into a competition to be displayed in the cathedral. We think the children did a fabulous job.
